Yuki Teikei Haiku Society Meeting
Tilden Regional Park Botanic Garden
North Berkeley Hills
Lawn Picnic and Ginko

(You may bring a blanket and/or low chair; dress appropriately, in layers)

Saturday, April 13, 2019 11:00 AM - 3:00 PM

Gather at the Visitor Center (to the left of the Main Gate, at the intersection of Wildcat Canyon and South Park Drive). Easiest parking is in the parking lot across from the Garden on Wildcat Canyon Drive, and is where the restrooms are located. For map and more information, please visit this URL site:

After the picnic, David Sherertz will lead a garden tour, then continue on your own, write, and come back to share. Wear comfortable walking shoes for the garden trails. It will be a great time for flowers in the garden, as the bulb beds should have good displays by then. One of the flowers listed to be in bloom in April is Chinese Houses. This flower is listed as a spring kigo in our own SF Bay Area Saijiki. We need more haiku examples for our next version of the Saijiki. Please come and be inspired.
